Exit Packages

Once you've scaled your business, you need to be thinking about what's next. Blu Sky's largest and most comprehensive packages deliver a full outsourced finance function along with the advice, support, and tax planning needed to ensure that your interest, as well as the business' interests, are looked after in the best possible way.

We'll help you to ensure there aren't any skeletons in your closet, deliver full financial support and a sounding board for ideas, projects, and tax planning.

But really, when it comes to your business, you know best! So, we'll help you with any aspects of finance and support services that you require, built on the back of robust financial processes and a strong relationship between Blu Sky and your Unicorn-to-be.

Blu Sky's Virtual CFO Service is an affordable alternative to hiring a full-time CFO and will make a big difference to your ambitious growth plans, and quickly!

With a combination of deep technical and commercial knowledge, cloud-based accounting software, mobile technology and modern data analytics, Blu Sky has been providing Virtual CFO services for many years (it's not just the latest craze with us) and the benefit to our clients has been amazing. Check out some of our testimonials...

As part of the North's Angel Network and mentors and partners at some of the UK's most prestigious Accelerators/Equity platforms/Tech ecosystems (Such as Ignite 100, Wayra, Rocketspace, Newcastle Start-up Week, Digital Union and Seedrs), Blu Sky's influence on early stage tech scale ups is profound.

Investments have been secured, organic growth realised, profitability levels doubled and cash collection processes stabilised, all thanks to the coaching and support received from a Virtual CFO.

We've helped hundreds of UK start-ups and scales ups through growing pains - after all, we've done it ourselves, too! Founded a decade ago, Blu Sky has scaled to a team of 20+ based in the north east but helping start-ups across the UK (and further!).

All of our operations are in the cloud, meaning that your data is available for collaboration whenever you are. As Xero platinum partners, Receipt Bank gold, FUTRLI platinum and CHASER experts, Blu Sky truly are cloud champions.

Our internal structure means that every client gets a mini finance team and dedicated Account Manager looking after your account. We offer same-day email response and the single point of contact means that Blu Sky develop a strong understanding of the business and the business owner's history and needs.

All our fixed fee packages cover the following:

- Software costs including the UK's leading cloud platform Xero as well as Xero add ons Receipt Bank and Blu Prints.
- Payroll
- VAT
- Bookkeeping support
- Yearend statutory accounts
- Company corporation Tax return

- Personal Tax return for the main company director(s)
- Management of the company Person of Significant Control register
- Submission of the annual confirmation statement to Companies House

All this for a fixed, agreed, monthly fee.

Additional services are designed bespoke to your specific needs and with high end packages priced to meet your specific needs. Expect to be paying in the region from just £1,000 plus VAT a month. That's value driven advice, software, and an outsourced finance solution for less than the cost of one staff member!
