Scale Up Packages

Scale Up Packages

Growing businesses need great care. The risk of over-trading, under-resourcing and cash management can't be ignored.

Having robust financial and management information available in easy to understand and interpret formats are critical to ensuring that growth is maintained and developed.

Blu Sky help scale ups to nail the basics and then push on with advanced modelling and financial advice that is proactive, relevant, and reliable. After all, we're a scale up ourselves, so we know the type of information you need to push forward.

We know what we are experts in and we know the areas better suited to other professionals and experts. We know from asking our clients. We offer the support and technical expertise the modern entrepreneur expects from their accountants.

Our services include (but are not limited to!):

- SEIS, EIS application processing and reviews (appealing to Business Angels is all part of investor readiness process)
- R&D tax credits – let's celebrate your innovative activity with a reduced tax bill or even cash back!
- Cloud accounting and business process set up – efficiency and consistency is key to realising your scale up potential
- VAT, Corporation Tax and every day tax planning – you need to get the basics right to have any chance of a smooth exit

We help keep your systems running smoothly and ensure that you have the information needed to help make critical business decisions when you need it!

More advanced reporting is often needed as a business scales. Blu Sky can help to model non-financial data, key KPI's and offer wider business advice when needed.

We've helped hundreds of UK start-ups and scales ups through growing pains - after all, we've done it ourselves! Founded a decade ago, Blu Sky has scaled to a team of 20+ based in the North East but helping start-ups across the UK (and further!).

All our operations are in the cloud, meaning that your data is available for collaboration whenever you are. As Xero platinum partners, Receipt Bank gold, FUTRLI platinum and CHASER experts, Blu Sky truly are cloud champions.

Our internal structure means that every client gets a mini finance team and dedicated Account Manager looking after your account. We offer same day email responses and the single point of contact means that Blu Sky develop a deep and strong understanding of the business and the business owner's history and needs.

As part of the North's Angel Network and mentors and partners at some of the UK's most prestigious Accelerators/Equity platforms/Tech ecosystems (Such as Ignite 100, Wayra, Rocketspace, Newcastle Start-up Week, Digital Union and Seedrs) Blu Sky's influence on early stage tech scale ups is profound.

All our fixed fee packages cover the following:

- Software costs including the UK's leading cloud platform Xero as well as Xero add ons Receipt Bank and Blu Prints.
- Payroll

- VAT
- Bookkeeping support
- Yearend statutory accounts
- Company corporation Tax return
- Personal Tax return for the main company director(s)
- Management of the company Person of Significant Control register
- Submission of the annual confirmation statement to Companies House

All this for a fixed, agreed, monthly fee.

All our packages are designed bespoke to your specific needs and with scale up packages costing as little as £500 plus VAT per month. That's the support of a full finance team with software included for less than your Google AdWords bill! #winning
